

MakeMyFuture

Improving Digital
Competences for Advanced
Manufacturing Industries
through Maker Education

**We want to
connect VET
schools and
Industry 4.0
through “Making”**

Let's keep in
touch

Project website:
www.makemyfuture.eu

MakeMyFuture is a Cooperation
partnership in vocational education and
training sector (KA220-VET) funded under the
Erasmus+ programme.

Project number 2021-1-IT01-KA220-VET-000034613

MakeMyFuture is a 2-year transnational project aiming at supporting VET teachers in implementing maker-based activities which will provide VET students with advanced digital competences, in line with the needs of Industry 4.0.
